

HEALTH FUNDS ARE DRIVING PREMIUMS UP & BENEFITS DOWN

Necessary treatments are increasingly being excluded from policies or subject to extended qualifying periods.

Health fund members are being restricted to treatment at health fund owned clinics to get advertised rebates.

Referrals to specialists are limited to those who are contracted to health funds.

You deserve freedom of choice of dentist or specialist.

You deserve access to all treatments - when you need them.

Restricting choice is not good for your health.

You need to talk to us about the alternatives.
